## Planned Giving Seminar

The Catholic Diocese of Dodge City is pleased to sponsor: "Catholic Planned Giving & Estate Planning" seminar. These seminars are part of the Department of Development's stewardship education program and concentrate on the Christian steward's right to plan for the prayerful and orderly distribution of one's estate. The purpose of these seminars is to inform Catholics within the diocese of their rights to ensure that their wishes and the needs of their family are carried out as intended. At the same time, we will illustrate some gift planning techniques people may use in coordination with their estate plan and to give back to God some of the material blessings he has bestowed on all of us. People generally recognize the importance of giving to their parish and diocesan ministries during their lifetime, not too many consider similar gifts in their estate plans and wills. Our vision is to show you the opportunities!
